Kathy

Studied Dictation (April 28 assessment date) Words 76 Grammar 12

Only The Amazon seemed concerned about the oddity that was engaging his mind; and she not out of any feeling for Richard but because her conscientious soul was distressed at any possibility of mistake. The Amazon would go all the way down the corridor and back again to tear off a page in a loose-leaf calendar that someone had forgotten to remove. But her instinct to be worried was less strong than her instinct to comfort.

Studied Dictation (May 6 Assessment) Words 92 Grammar 22

Dick chose one of them at random, and the pair hurried, with echoing footsteps, along the hollow of the chapel roof. The top of the arched ceiling rose like a whale's back in the dim glimmer of the lamp. Here and there were spy-holes, concealed, on the other side, by the carving of the cornice; and looking down through one of these, Dick saw the paved floor of the chapel—the altar, with its burning tapers—and stretched before it on the steps, the figure of Sir Oliver praying with uplifted hands.

The True Knight

by [Stephen Hawes](#)

For knighthood is not in the feats of war,
As for to fight in quarrel right or wrong,
But in a cause which truth can not defarre:
He ought himself for to make sure and strong,
Justice to keep, mixt with mercy among:
And no quarrel a knight ought to take
But for a truth, or for a woman's sake.

For first good hope his Leg-Harness should be,
His Habergeon, of perfect righteousness
Gird fast with the Girdle of chastity.
His rich Placard should be good business
Broidered with alms so full of largess;
The Helmet, meekness, and the Shield, good faith,
His Sword God's word, as Saint Paul saith.

Also true widows he ought to restore
Unto their right, for to attain their dower;
And to uphold, and maintain evermore
The wealth of maidens, with his mighty power.
And to his sovereign at every manner hour
To be ready, true, and eke obeisant
In stable love fixt, and not variant.
